The page features decorative geometric elements. In the top-left corner, there are two parallel diagonal lines, one light gray and one dark gray, extending from the top edge towards the center. On the right side, there is a large, stylized arrow shape pointing to the left, composed of a dark gray outer border and a white inner shape, partially overlapping a horizontal gray bar.

Instruction

for Android Version

1. UI interface introduction

Start the projector, it will show below interface, there are several option functions like “What’s New” “Featured APP” “APPS” etc. Use remote control “down” key or projector “down” key to scroll down, choose the function which you want to use. (Ensure WiFi is connected)
